March 6, 2008

To Whom It May Concern:

3M has obtained approval from the United States Postal Service, that the adhesive on our Post-It® Notes is suitable for direct mail applications.

While 3M requires vendor authorization to purchase directly from 3M, we do not limit or restrict the printing on these notes to any specific printers. Please note that Pro Label, Inc. of Anoka has been authorized to purchase 3M Post-It® Notes directly from 3M for the purpose of printing on them for direct mail applications.
